

Determine a program for an event

## INTRODUCTION

ABC is a company based in toronto for organizing events currently it works on a project to organize an event for 7 days for a group of photographers all over the world.

The company has to determine a good program including a hotel of residence a hall for meetings places of landscapes to visit, places of shopping , restaurants and cafes.

The company has to make a list of all the data and it also provides a map in case photographer can't use his/her mobile application for any reason.
